

The 2-Speed Workhorse

EM50

Electro-Magnet Drill

Powerful, versatile, and rock-solid.
The EM50 will get it done.

Extra Height for Drill Chucks

EM50 features a double-dove-tailed design for extra height capacity so you can use a keyless drill chuck with ease.

Weldon Shank

The EM50 is equipped with a handy Weldon shank for easy use with core drills and twist drills.

2 Speed Gearbox

EM50 has a powerful 2 speed gearbox so you can drill different diameter holes with ease.

Made In Germany

2 Year Warranty

Specifications

Product Code	18510
Core drill dimensions	Ø 12.0 - 50.0 MM
Cutting depth	50.0 MM
Twist drill	1.0 - 16.0 MM with chuck
Counter boring	10.0 - 40.0 MM
Tapping	With tapping attachment M3 - M20
Arbors	19MM Weldon shank
Stroke	190 MM
Height adjustment	100 MM
2-speed gearbox Load speed	1. Step 250 RPM 2. Step 450 RPM
Power consumption	1,200 W
Voltage	230 V 50/60 Hz
Magnetic base	92 X 220 MM
Weight	15.0 KG

EM50

The EM50's powerful gearbox easily handles different hole diameters, while the double-dove-tailed design provides extra height for keyless chucks. A Weldon shank makes it compatible with both core and twist drills. With solid brass guides for smooth, vibration-free operation and 12,000N magnetic adhesion, the EM50 is built for tough, industrial jobs.

**Use XDP905
For Best
Performance**

**Reduces Wear.
Increases Tool Life.**

A large can of XDP 905 Foam Cutting Oil is the central focus. It is blue and orange with a white foam dispenser. To its right, a smaller spray can of XDP 905 Spray Cutting Oil is visible. The background shows a workshop setting with various tools and equipment.
