 **2 Year Warranty**

Code	Description	RRP Price	Barcode
18450	Skin Only	\$2,290	9341363346949
18455	Inc. 5Ah & 9Ah Battery and Charger	\$3,475	9341363346956

All prices are ex GST

Battery Operated

The EMC36 can be used anywhere, no cords needed. Perfect for on-site use or a quick job in the workshop.

Permanent Magnet

A permanent magnet makes the EMC36 safe and efficient. It adheres to steel as thin as 3mm without a power supply, greatly reducing risk.

Compatible with Makita LXT 18V Platform

Got existing Makita batteries? You're ready to go! Milwaukee & Dewalt adaptor also included.

Specifications

Dependable Precision

EMC36 Cordless Battery Magnetic Drill

The new EMC36 Battery Magnetic Drill is compact and cordless. EMC36 drills up to 36mm diameter with precision. Compatible with Makita batteries, it's perfect if you're on site, or simply can't be bothered with cords.

Makita Compatible

The EMC36 is compatible with the Makita battery platform. Plug and play.

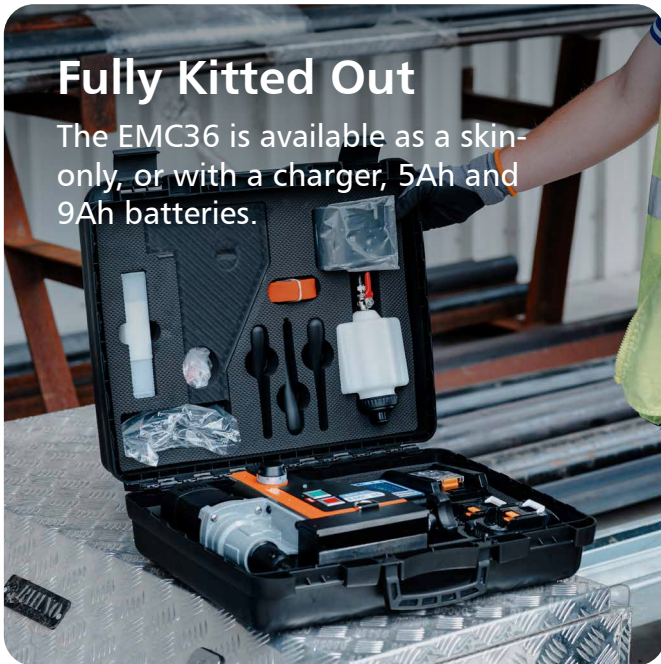

Brushless Motor

The EMC36 features a brushless motor for less friction and increased efficiency.

Fully Kitted Out

The EMC36 is available as a skin-only, or with a charger, 5Ah and 9Ah batteries.

Adaptor Included

The EMC36 comes with an adaptor for Milwaukee and Dewalt batteries.
